# of Children/ Ages for childcare	
Home Parish	

Thank you for registering for the Women's Walking with Purpose Bible study. The cost of the study is \$65 to cover the cost of the books and additional materials. Please complete this form and turn along with your payment of cash or check in a marked envelope through the weekly collection or drop it off in the parish office. If you are unable to cover the cost of the registration, please reach out to Tina Klare in the parish office for assistance. We will begin meeting at the end of September and will send more details as we get closer.
